Retirement Workshop

Starting to plan for retirement? This exciting transition also comes with a lot to consider. Join **OTIP** and **Educators Financial Group** for a free retirement workshop where you'll learn more about:

- Streams of **retirement income and solutions to fill any gaps** to help you make the most of your retirement (Pension, CPP, OAS, etc.).
- The importance of proper **financial planning for your retirement**, and what you need to know when creating your estate plan.
- Managing your healthcare, drug, and dental costs by **choosing the best coverage to fit your needs**. Don't settle for a "one size fits all" approach to your health.
- **Travelling worry-free** with emergency medical coverage, trip interruption/cancellation, and 24-hour emergency assistance.
- Exciting **health and wellness support programs**, and ways to save money while doing the things you enjoy most.
- **Protecting your loved ones**, your home, and other possessions for when the unexpected happens.

This **free workshop** is open to members and spouses. As a courtesy, refreshments will be provided when possible. Please note any dietary or accessibility requirements at time of registration.

How technology can reduce distracted driving on our roads

Think about the last time you were in your vehicle. Did you swing by a drive-thru and eat your breakfast behind the wheel? When your phone rang, were you tempted to pick it up? How often did you reach over to change the music or adjust the temperature? Multitasking has made its way into nearly everything we do, including driving. However, multitasking behind the wheel, also known as distracted driving, can quickly turn a safe trip into a fender bender. Let's explore some technology and tools that can help you keep your hands on the wheel and your eyes on the road.
